WORK EXPERIENCE

ADMINISTRATIVE DIRECTOR, MENTAL HEALTH SERVICES

University of Texas Medical Branch—Correctional Managed Care | 2010-Present

- Uses leadership and technical expertise to establish a program of mental health services at or above prevailing standards of care.
- Identifies and controls critical cost elements.
- Advises the UTMB-CMC Executive Leadership Team on issues related to mental health programs; creates a vision that is beneficial to the organization.
- Establishes strategic plans for future success; facilitates the development of goals, strategies, and accountability standards for Mental Health Services.
- Evaluates existing services, recognizes emerging trends, and formulates plans to ensure present and future service viability; uses analytical skills to evaluate present and future conditions and make independent decisions.
- Establishes positive working relationships with key stakeholders and partners external to the organization.
- Provides administrative supervision to all Mental Health Services employees through Servant leadership.
- Uses continuous improvement methods and innovative strategies to monitor compliance with clinical and quality management standards and protocols.
- Ensure accreditation of all mental health units

SENIOR MENTAL HEALTH MANAGER, ADMINISTRATION

University of Texas Medical Branch—Correctional Managed Care | 2018-2022

- Create and implement variety of management reports, including staff and budget forecasting, legislative presentations, and productivity.
- Assist with the development of mental health annual goals and strategic objectives.
- Consult UTMB—MHS Leadership on issues related to MH programs, laws, and policies.
- Develop, coordinate, and provide staff training programs.
- Consult with TDCJ-ID, TCOOMMI, TTHSC, advocacy groups, state, and local officials to advocate for mental health services.
- Serve as a consultant on difficult or complex cases.
