WORK EXPERIENCE

ASSOCIATE VICE PRESIDENT, INPATIENT OPERATIONS

University of Texas Medical Branch—Correctional Managed Care | 2009-Present

Provides staff leadership, supervision, and direction in the planning, development, and implementation of operational plans for inpatient medical, mental health, and geriatric facilities. Visits assigned facilities and provides appropriate guidance to support the achievement of established goals. Oversees the implementation of the assigned facility/clinic budgets and works to achieve budgeted operational results on target. Prepares all cost reduction, operational improvement, business, and strategic plans.

DIRECTOR OF OPERATIONS, NORTHERN DIVISION

University of Texas Medical Branch—Correctional Managed Care | 2005-2009

Provided administrative and leadership expertise in the redesign, development, and management of UTMB-CMC operations based on the identification, definitions, and solutions of systems problems through operations analysis and quality assessment. Prepared all division budgets, operational improvement, business, and strategic plans for UTMB-CMC. Developed, implemented, and maintained operational procedures and standards for interfacing between UTMB and Texas Department of Criminal Justice (TDCJ) computer systems and computer operation processes. Advised regional managers on UTMB and TDCJ administrative policies and procedures, technical problems, priorities, and methods.

EXECUTIVE DIRECTOR, CLINICAL PROGRAMS

University of Texas Medical Branch—Correctional Managed Care | 2001-2005

Provided management, operational direction, and leadership to support the delivery of clinical programs to the correctional health care operation. Conducted program reviews with management staff to determine productivity, efficiencies, and effectiveness of services.

CONSULTING EXPERIENCE

ASSOCIATE

Correctional Healthcare Management | 2017-Present

- **California Multi-County Mental Health Project**
Participated in conducting a feasibility assessment for several large county jails looking at the creation of a shared consolidated centralized mental health facility.
- **Pelican Bay Prison, California**
Participated as part of the team with determining the effectiveness of the medical programs available to the inmates housed in the Special Housing Unit (SHU) and the long-term effects of this care model on certain chronic diseases.
- **State of Georgia**
Participated in conducting unit site visits and comprehensive assessments of their healthcare spaces to assist the state in better understand how the existing facilities and their design/conditions support the mission of the Georgia Department of Corrections and the Georgia Department of Juvenile Detention.
- **Wake County, North Carolina**
Participated as part of a 5-member team that has assisted Wake County for the past 3 years. This ongoing project has included staffing study, policy, and procedure rewrite and the development of an offender health plan.
- **San Diego County Sheriff's Department**
Working with the San Diego County Sheriff's Department and their outside counsel in defense of a class-action lawsuit, *Dunsmore v. San Diego County Sheriff's Department*, related to medical, dental, and mental health services delivered by their contracted healthcare provider.
